<p>This strip is designed for getting beautiful color effect,2 pieces of 3-in-1 5050 SMDs (RGB) are controller by one IC ,IC receives the controlling signal from controller to change the color and brightness, it can generate various effect such as scan,flow,cycle etc. This is ideal for entertainment place and were colorful scenes is needed. water-proof and non-water proof is avaiable.aab</p>								
***Terms & Conditions:								
1)	Price term:	<b>ab Lager Wentorf bei Hamburg, UPS/DHL, auschl.Verp.+MWst</b>						
2)	Lead time:	<b>4-5 Wo. nach Bestellung</b>						
3)	Payment term:	<b>nach Vereinbarung-Neukunden Vorkasse.</b>						
4)	Quotation Validity :	<b>über 4 Wochen nach Angebot.</b>						
5)	Warranty :	<b>12 Mon. nach Auslieferung.</b>
